NANO TECH
for intelligent solutions

NanoTech. Co. / P.O. Box 69, Fuhais 19152 Jordan / Tel: +962 65 373 160 / Fax: +962 64 617793 / www.nanotech.jo

NanoTech is a young and dynamic company that provides suitable solutions in the field of Laser & optics, educational supplies, solar, and smart solutions for the Middle East region in cooperation with world class suppliers.

We establish endless relations with our customers, starting from supplying the highest quality products and continued by providing after sales services and support to achieve the best customer satisfaction.
NanoTech delivers through four main departments: **Laser Tech.**, **Home Tech.**, **Smart Tech.** & **Solar Tech.**

Laser Tech. provides the best laser products from **Newport, Spectra physics & Micos** the leaders of light and laser suppliers worldwide, we provide you with all your need in light and laser research and production.

Founded in 1969, **Newport & Spectra Physics** is a pioneering single-source solutions provider of laser and photonics components to the leaders in scientific research, life and health sciences, microelectronics, industrial manufacturing, and homeland security markets.(www.newport.com)

Founded in 1990, **MICOS** is a specialised company in the field of High-Technology. Well established in the market, MICOS has become a competent, reliable partner and supplier for industry and research especially for Laser Technology, Microwave Technology, Communications, Semi-conductor Technology and Micro Manipulation. MICOS offers a wide range of fine mechanical components, appliances and systems which are used in the field of Ultra-Precision-Positioning Technology. Furthermore MICOS offers complete opto mechanical modular systems for the application in Laser Technology. (www.micos.ws)

Home Tech. With the increasing number of technologies and operating platforms at work and home, **Nano-Tech** with **AMX** solves the complexity of managing this technology with reliable, consistent and scalable systems.

AMX hardware and software solutions simplify the way people interact with technology. With the increasing number of technologies and operating platforms at work and home, AMX solves the complexity of managing this technology with reliable, consistent and scalable systems. Our award-winning products span control and automation, switching, distributed audio and video, and technology management. They are implemented worldwide in conference rooms, homes, classrooms, network operation / command centers, hotels, entertainment venues, broadcast facilities, among others. (www.amx.com)

Smart Tech. is responsible for providing the smart card solution for universities and companies based on the latest smart card and software technologies, with the support of Future card company.

Solar Tech. provides environment friendly products depending on solar energy to help in reducing the environmental pollution world wide.
